Spanning more than 10 feet in height, this tiered chandelier renders a transitional eye-catching look. Nine handsome Sahara Taupe Idalight shades are aligned in a staggered formation, suspended from two decorative rings and a canopy while providing ambient light at various levels. All hardware is featured in a Mahogany Bronze finish while a warm glow evokes from decorative cylinders. Ideal for lobbies, foyers, ballrooms and large spaces. The fixture is handcrafted by master artisans in our 180,000 square foot manufacturing facility in Yorkville, New York. Custom designs, styles, sizes and dimmable energy efficient lamping such as LEDs are available. This chandelier is UL and cUL listed for damp and dry locations.
