An exquisite design is paired with rich, luxurious Crystal to make a distinctive design statement in the finest residential, hospitality and commercial interiors. The circular frame embraces an array of hundreds of stunning Crystal that simulate the fluid movement of water droplets. The handsome hardware and components, laser-cut with surgical precision, are featured in a stunning Champagne Metallic finish. Beautiful ambient illumination is projected from 4 customer supplied, Medium base G30 Edison lamps. Custom crafted in our 180,000 square foot manufacturing facility in Yorkville, New York. Available in special sizes and finishes. UL and cUL listed for dry and damp locations.
