Designed by Bryan Hamlin, the Embrace Chandelier is Inspired by the geometries of vacuum tube radios from the late 1930s, Embrace features complex illuminated forms that appear to be in motion. Sculpted illuminated components create an intriguing combination of light and shadow. The fixture features a Satin Brass structure with a Linen shade and a Statuario Idalight diffuser. The fixture illuminates with Integral 3000K LEDs, providing a beautiful 3000K light, energy savings, and long life. The Embrace Chandelier is featured in our American-made, American-designed Handcrafted Bryan Hamlin Collection, which is manufactured in Yorkville, New York. The fixture is UL and cUL Listed for dry and damp locations. The Embrace design can be customized in nearly infinite design variations, including fixtures for ceiling, wall, and floor lighting applications.
