The golden age of radio inspired an innovative lighting design with a heavy Art Deco influence. This eclectic pendant features eleven unique ribbed, microphone-style luminaires illuminating and cascading downward with straight cords hanging from a large rectangular canopy. This magnificent ceiling pendant is ideal for illuminating stairwells and entryways in residential and hospitality spaces. The Phonic 11 Light Cascading Pendant is included in our American-made, American-designed, handcrafted Deco Lighting Collection. The fixture is UL and cUL listed for dry and damp locations and featured in the Hard Rock Cafe Seville in Seville, Spain.
