Amaury offers a distinctive look that is rich in styling and artisanship. An Acanthus leaf crown and finial highlight the decorative spoked ring, which is accented with decorative rope trim. The Light Burnished Transparent Gold finished frame embraces 10 Ivory faux candlelights perched on bobeches with extended ballpoint stems. The overall height ranges from 53 to 100 inches, as the chain length can be easily adjusted in the field to accommodate your specific lighting application needs. The Amaury Chandelier is featured in our American-made, American-designed, handmade Traditional Lighting Collection, which is manufactured in Yorkville, New York. The fixture is UL and cUL listed for dry and damp locations.
