A rich charm greets an authentic elegance suited for a variety of fine homes, and commercial spaces. Charred Wooden Staves highlight a Timeless Bronze finished steel frame with curvedarms that support eight bobeches accented with faux candles on its perimeter. The chandelier is perfect for lobbies, foyers, banquet rooms and reception areas. Custom crafted by artisans in our manufacturing facility upstate New York, this fixture is available in custom colors, styles, sizes and dimmable energy efficient lamping options. UL and cUL Listed.
