A sophisticated, architecturally styled fixture is designed with a unique, fresh, and stylish pizazz. Give your decor an extra edge with this breathtaking fixture, highlighted by a solid metal structure with a Rainstone Idalight lens that reveals two inner tiers with eight complementary faux candlelights. The curvaceous hardware and frame are featured in a handsome Flemish Bronze finish. The overall height of the fixture ranges from 66 to 185 inches, as the chain can be easily adjusted in the field to meet your exact lighting specifications. The Cilindro Campbell Pendant is included in our American-made, American-designed, handcrafted Transitional Lighting Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations.
