A sophisticated, architecturally styled fixture is designed with a Statuario Idalight lens that is enhanced with a sturdy frame featured in a handsome Solar Black finish. The fixture has an overall height that ranges from 20 to 96 inches, as the aircraft cable can be easily adjusted in the field to meet your exact lighting specifications. This lighting fixture illuminates with Integral LEDs for high-quality light, energy efficiency, and long life. Perfect for illuminating hallways, entryways, and other residential, hospitality, and commercial spaces throughout the US, including Arlington, Virginia, Omaha, Nebraska, and Sacramento, California. The Cilindro Pendant is included in our American-made, American-designed, handcrafted Contemporary Lighting Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations. The fixture is featured at 245 Fifth Avenue in the trendy NoMad section of Manhattan, New York City. The Moinian Group, a large private real estate investment company, owns the prestigious office building.
