The ceiling fixture is enhanced with a decorative frame in a Textured Black finish. This centerpiece features a refined illuminating design and is perfect for foyers, dining areas, and other spaces in residences, hotels, and restaurants. The Cilindro Structure Flush Mount is featured in our American-made, American-designed, handcrafted Modern Lighting Collection, manufactured in Yorkville, New York. The fixture is UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
