The bold, eye-catching Cyclone simulates whirling winds of energy and gyration with Hand-forged Iron that is accentuated with 36 delicately placed beacons to help you weather the storm. The winding mass of metal surrounds a sturdy post, all featured in a Pewter powder-coat finish. Make an impressive design statement that will Wow guests in lobbies, conference rooms, entryways, and other residential and commercial spaces. Master artisans in our Upstate New York manufacturing facility handcraft the Grand-styled 60-inch tall Chandelier. Custom designs, styles, sizes, and dimmable energy efficient lamping options such as LED are available. The awe-inspiring chandelier is UL and cUL listed for damp and dry locations and featured in Morgan's Bar & Grill in Prescott, Arizona.
