Captivating and textured like the dry desert sand. This mesmerizing artistic design comes to light with the Deserto Seco ceiling fixture. An all-over array of stylized accents is represented in Textured Black with Matte White hardware. Under the metal frame is an Eggshell Textrene shade that is enhanced with a Statuario Idalight bottom diffuser. Integral LEDs illuminate the fixture for beautiful ambient illumination, energy savings, and long life. The ceiling luminaire is ideal for modern homes and restaurants from Palm Beach, Florida, to Austin, Texas, to Portland, Oregon. The Deserto Seco Flushmount is included in our American-made, American-designed, handcrafted Abstract Lighting Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations; however, we do not recommend placing it in spaces that experience a large amount of moisture due to the fabric shade.
