A magnificent show of luxury in light, the impressive Georgetown Chandelier embodies two rings, a hub highlighted with Silver Sand finished bands, and a matching pear-shaped finial. The extraordinary frame and hardware are featured in a Black finish. The top tier displays four complementary faux candlelights, while the lower tier features eight faux candlelights, a total of 12 in a complementary hue to match the bobeches and arms. Handcrafted in the USA, this chandelier is available in custom sizes, finishes, and styles. Dimmable energy-efficient lamping options such as LED are available. This grandiose fixture is UL and cUL listed for dry and damp locations. This fixture was designed by Peacock + Lewis Architects and Planners of North Palm Beach, Florida, and featured at The Club at Quail Ridge in Boynton Beach, Florida.
