Other

An elaborate, elegant chandelier design comes to light with sparkle and glamour. Beautiful ambient lighting emanates from nine Cream Textrene Shades crowning White faux candlelights perched on smooth bobeches, which are embraced by exquisite scrolled arms and featured in a Blackwash finish. The chandelier is perfect for illuminating entryways, stairways, and other rooms with tall ceilings in fine homes, hotels, restaurants, and other residential and commercial spaces, from Carmel, Indiana, to Brookfield, Wisconsin. The chandelier illuminates with nine candelabra lamps to bring out the beauty of the Textrene shades, while the downlight delivers functional illumination on the surfaces below. The fixture benefits from two circuits that give you precise dimming control over two layers of light to create the perfect ambiance in the space. The Grace 10 Light Two Tier Chandelier is included in our American-made, American-designed, handcrafted Contemporary Lighting Collection, manufactured in Yorkville, NY. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shades.
