Other

An elaborate, elegant chandelier design comes to light with sparkle and glamour. Beautiful ambient lighting emanates from 10 White faux candlelights perched on smooth bobeches, which are embraced by exquisite scrolled arms and featured in a Blackwash finish. A matching, decorative downlight offers direct illumination from this lovely fixture. The chandelier illuminates with ten candelabra lamps to provide beautiful ambient lighting, while the downlight delivers functional illumination on the surfaces below. The fixture benefits from two circuits that give you precise dimming control over two layers of light to create the perfect ambiance in the space. The overall height ranges from 40 to 87 inches, as the chain can be easily adjusted in the field to meet your lighting specifications. The chandelier is ideal for illuminating entryways, stairways, and other rooms with tall ceilings in fine homes, hotels, restaurants, and other residential and commercial spaces, from Carmel, Indiana, to Brookfield, Wisconsin. The Grace 10 Light Two Tier Chandelier is included in our American-made, American-designed, handcrafted Traditional Lighting Collection, which is manufactured in Yorkville, NY. UL and cUL are listed for dry and damp locations.
