This stunning chandelier is handcrafted of Natural Calcite stone, a carbonate mineral and component of limestone that helps deepen intellect, wisdom, and psychic abilities and a spiritual cleanser that renews commitment to making changes. The elegant fixture is enhanced with an Oil Rubbed Bronze finish. It is perfect for illuminating corridors, lobbies, living rooms, and other residential and hospitality settings from Trenton, New Jersey, to Boulder, Colorado. The overall height ranges from 26 to 165 inches, as the chain length can be easily adjusted in the field to accommodate your specific lighting application needs. This fixture complements the larger 60" Wide Hokaiseki Two Tier Chandelier (265762). The Hokaiseki Chandelier is included in our American-made, American-designed, handcrafted Contemporary Lighting Collection and manufactured in Yorkville, New York. UL and cUL listed for damp and dry locations and featured in Wisdom Woods in Spooner, Wisconsin.
