A fan-tastic energy efficient decorating innovation for a home, retail or hospitality location, this masterfully designed and custom crafted Chandel-Air adds drama and sophistication paired with distinctive custom lighting and fan technology to any room. Marquee Gural is a unique modern marvel featuring Clear Glass with clean prismatic lines that evoke a dramatic dimensional illusion and textural look. The diffuser is complemented with architecturally styled trim and hardware offered in a Polished Stainless Steel finish. Integral LEDs evoke decorative illumination that bring out the beauty of the glass while five 5-watt LED downlights deliver functional task lighting on surfaces below. Handcrafted in Yorkville, NY by artisans, this Chandel-Air creates a windchill to keep the space cool in the summer, and is reversed in the winter to push down hot air and maintain warmth. Dimmable lamping options, as well as custom sizes, styles and colors, are available. The fixture is UL and cU
