A stunning centerpiece to illuminate any residential or commercial decor. The Nathan ceiling luminaire features an Amsterdam Chalk Textrene shade with Textured Black solid bands surrounding a Weave-Tex band. This luminaire is enhanced with an architecturally styled frame and a Statuario Idalight bottom diffuser. The hardware is featured in a Brushed Nickel powder coat finish. This stunning ceiling fixture is perfect for placement in corridors and other areas in residential and hospitality settings from Newport, Rhode Island, to Boca Raton, Florida. The Nathan Flushmount is included in our American-made, American-designed, handcrafted Modern Lighting Collection and manufactured in Yorkville, New York. UL & cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
