Creating a striking transitional lighting design with a crossbar profile. Parker Henry is custom crafted with 12 Clear Seeded Glass elements embraced by a metal frame that is hand finished in Mahogany Bronze. The circular fixture is ideal for illuminating dining areas, conference tables, lobbies and other residential and commercial spaces. The overall height of this chandelier ranges from 25 to 95 inches as the chain length can be easily adjusted in the field to accommodate your specific lighting application needs. Custom crafted by highly skilled artisans in our 180,000 square foot manufacturing facility in Yorkville, NY. UL and cUL listed for dry and damp locations.
