A delightful pendant that will make a lasting impression for years to come. All the exposed hardware is made from 100% solid brass; from the cage and cast arms to the hand-bent scrolls and decorative rosettes- everything is 100% solid Antique Brass. The diffuser is made of high-impact Crystal Idalight, the artisans' choice for beauty, safety, and durability. The transparent Idalight allows the observer to see the beautiful, brass scroll arms supporting 10 Ivory faux candlelights. The diffuser is scratch-resistant and shatterproof, protecting against accidental damage during maintenance, natural occurrences, or intrusion. The Sanctuary Pendant is American-made, American- designed, and handcrafted in our Inspirational Lighting Collection, which is manufactured in Yorkville, New York. The fixture is UL and cUL listed for dry and damp locations.
