Feel the wind in your hair, the sound of the sea beneath you and imagine the stars above after launching this breathtaking vessel of light. The St Lawrence chandelier is like a tall ship traditionally rigged with masts drawn tight by backstays. The 2 tiers and 9 Sandstorm Faux Linen handpainted shades and Oil Rubbed Bronze frame symbolize the schooner's multiple masts, vast sails and narrow hulls. Overall height ranges from 42 to 149 inches as the chain length can be easily adjusted in the field. Handcrafted in our 180,000 square manufacturing facility in Yorkville, New York. Shade colors, metal finishes and fixtures sizes can be customized to meet your needs. UL and cUL listed for dry and damp locations.
