Other

Lamping

Offering a dramatic inspirational profile and elaborate design, this Church pendant evokes a heavenly glow from Clear Water Glass featured in a hexagonal cylindrical-styled frame that intersects a crown-shaped hexagonal shade, creating a three-tiered pendant. Each tier is accented with a round-cross patterned border offered in a warm Chestnut finish that matches the look of the handsome hardware. Handcrafted by artisans in the USA, the fixture is available in custom sizes, styles, colors and dimmable energy efficient lamping options. The pendant is UL and cUL listed for damp and dry locations.
