Sophisticated Amber Wine Bottle cylinders provide inviting ambient decorative lighting while four energy-saving, adjustable Nickel-finished LED downlights deliver warm task lighting precisely where needed on countertops, tabletops and other surfaces in kitchens, restaurants and lounges. Handcrafted of fine Walnut wood, the pendant is designed with a bi-level architectural suspension structure and hardware finished in Wrought Iron. The fixture is designed and manufactured in the facilities in Yorkville, New York. Custom sizes, styles and colors are available.
