Rustic charm blends with gothic beauty. This chandelier is inspired by antique staves traditionally bound by metal hoops in the construction of beer/whisky barrels and wine casks. Oil Rubbed Bronze finished curved arms of Solid Steel support bobeches accented with eight Ivory faux candlelights, which line up like soldiers at attention in abeyance of the barrel to which they serve. This chandelier is ideal for lobbies, foyers, banquet rooms and reception areas. Custom crafted by artisans in our 180,000 square foot manufacturing facility in Yorkville, New York, this fixture is UL and cUL listed for damp and dry locations. Custom sizes, designs and finishes are available, as well as dimmable energy efficient lamping options.
