Sophisticated, handsome, and proportional. Designed to be surface mounted and hardwired to surfaces such as tables, bars, and counters, this table lamp is ideal for illuminating homes, taverns, offices, and public spaces. The stunning lamp pairs a Cream Textrene shade with a frame and hardware featuring a Brushed Nickel finish. The College OblongTable Lamp is included in our American-made, American-designed, handcrafted Modern Lighting Collection. UL and cUL are listed for dry locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade. Our portable lamps seamlessly combine elegance and function, offering accent, ambient, task, and decorative lighting for any space. Perfect for cozy nooks, stylish bedside setups, or as focal points, these lamps bring warmth and sophistication to luxurious and contemporary interiors alike. Featured at the Hampton Inn in State College, Pennsylvania.
