Inspired by nebulous clusters of bubbles blown on a newly married couple sashaying down the steps after walking down the aisle of a joyous wedding ceremony. Innovation and imagination are integrated for a stunning decorative lighting look. A captivating, illuminating design, this cascading pendant displays 10 Clear Blown-Glass teardrop elements. Each diffuser reveals an Edison-styled LED lamp while six downlights illuminate from the canopy above. The lovely shade configuration is enhanced with hardware finished in Solar Black. The pendant is designed to accommodate sloped ceilings in residences, hotels, and restaurants from Boston, Massachusetts, New York, New York, Philadelphia, Pennsylvania, Miami, Florida, and San Francisco, California. This unique pendant includes six LED downlights, ten inner lights to bring out the beauty of the blown glass, and an Integral LED trim light to wash the ceiling from the canopy. The fixture benefits from three separate circuits to give you precise dimming control over each layer of light to create the perfect ambiance in the space. The Celine 10 Light Oblong Cascading Pendant is included in our American-made, American-designed, handcrafted Modern Lighting Collection and manufactured in Yorkville, NY. UL & cUL listed for dry and damp locations. Please call us to design a similar piece specifically suited to your needs.
