American handcraftsmanship creates the beauty of fine lighting with this luxurious pendant. The Cilindro Ventura features a hand-finished Oil Rubbed Bronze ring that embraces a stunning Aberdeen Buff Textrene shade. The overall height ranges from 28 to 71 inches, as the chain can be easily adjusted on location to meet your lighting requirements. The Cilindro Ventura Pendant is included in our American-made, American-designed, handcrafted Transitional Lighting Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
