The HandForged Iron scrollwork, frame, and hardware are offered in a Blackened Pewter finish. The overall height of this chandelier ranges from 42 to 162 inches as the chain length can be easily adjusted in the field to accommodate your specific lighting application needs. Handcrafted in our 180,000 square foot manufacturing facility in Yorkville, NY. Custom options available. UL and cUL listed for dry and damp locations, however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shades.
