The bold, eye-catching Cyclone chandelier simulates whirling winds of energy and gyration with twisting metal that is accentuated with 20 delicately placed lighted beacons to help you weather the storm. The winding mass of steel surrounds a sturdy post in an Oxide Bronze finish. Make an impressive design statement in lobbies, conference rooms, entryways and other spaces. Overall height ranges from 93 to 152 inches as the chain length can be easily adjusted in the field to accommodate your specific lighting application needs. Handcrafted in our 180,000 square foot manufacturing facility in Yorkville, NY. Fixture designs, metal finishes and chandelier sizes can be customized to meet your needs. UL and cUL listed for damp and dry locations.
