Renowned for pointed spires, bold buttresses, and detailed tracery, Gothic styling comes to light with this Reproduction Chandelier which replicates an original found in cathedrals and castles built in the Middle Ages. This Gothic Revival fixture speaks to these classic architectural elements and integrates them into a distinctive motif with Hand-Forged Iron accents and hardware. 3 Round lanterns with Clear Granite Glass provide beautiful ambient lighting. Custom crafted in Yorkville, New York by highly skilled artisans, this fixture is available in custom finishes, sizes and colors, as well as dimmable energy efficient lamping options such as LED. The chandelier is UL and cUL listed for damp and dry locations.
