This Anillo Halo Pendant blends Modernism with a Rustic Feel. A spectral halo of ambient light is projected through a Statuario Idalight diffuser and enhanced with a warm Florence Walnut Wood powder coat finish. Eliminating the power cord, our exclusive proprietary suspension system is engineered with low voltage spacecraft cables for balance, precision and a clean aesthetic. Integral LEDs offer dimmability, energy savings, minimal maintenance and long life. The overall height of this pendant ranges from 5 to 36 inches as the cable length can be easily adjusted in the field. Handcrafted in our 180,000 square foot manufacturing facility in Yorkville, New York. Diffuser colors, metal finishes and fixture sizes can be customized to your needs.
