Lamping	**Base Type::** E12 **Quantity::** 12 **Shape::** BA9 **Wattage::** 40
Other	**Family::** Atom Enerjisi **Metal Finish::** Gunmetal

Like a complex gyroscopic structure, Gunmetal finished metal rings create a unique curvature pattern that evokes the illusion of revolutionary motion like a spinning gimbal rotating on its axis. The orbed frame wraps around 12 complementary faux candlelights perched on matching bobeches. Overall height ranges from 50 to 229 inches as the chain easily adjusts in the field. The fixture is ideal for illuminating dining tables, lobbies, entryways and other residential, hospitality and commercial spaces. The Atom Enerjisi Chandelier is featured in our American-made, American-designed, handcrafted Atom Lighting Collection. Manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations.
