Rugged rustic charm blends with a distinctive, but charming beauty. Inspired by Antique Wooden staves traditionally bound by wooden or metal hoops in the construction of beer/whisky barrels and wine casks, Costello Black finished solid stout, curved steel arms support bobeches accented with faux candleholders which line up like soldiers at attention in abeyance of the barrel to which they serve. Ideal for lobbies, foyers, banquet rooms and reception areas, this unique chandelier is custom crafted by artisans in our 180,000 square foot manufacturing facility in Yorkville, New York. Options include custom colors, sizes, finishes and dimmable energy efficient lamping. UL and cUL listed for damp and dry locations.
