Rugged Rustic charm blends with Gothic beauty. The chandelier is inspired by antique staves traditionally bound by metal hoops in the construction of beer/whisky barrels and wine casks. Timeless Bronze finished curved arms support bobeches accented with eight Amber faux candlelights, which line up like soldiers at attention in abeyance of the barrel to which they serve. Ideal for lobbies, foyers, banquet rooms and reception areas. The overall height of this chandelier ranges from 55 to 126 inches as the chain length can be easily adjusted in the field to accommodate your specific lighting application needs. Custom crafted by highly skilled artisans in our 180,000 square foot manufacturing facility in Yorkville, NY. Custom options available. UL and cUL listed for damp and dry locations.
