Designed with a curved profile and a stunning architectural look. This appealing and versatile ceiling fixture reveals a sophisticated aesthetic. The ceiling fixture features an Off-White Textrene shade that is enhanced with hardware, frame, and crossbar design featured in Timeless Bronze Finish. The Cilindro Structure Flushmount is included in our American-made, American-designed handcrafted Modern Collection. Manufactured in Yorkville, NY. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
