Designed with a curved profile and a clean architectural look. This appealing ceiling fixture reveals a sophisticated aesthetic. An Eggshell Textrene shade is enhanced with a Statuario Idalight bottom diffuser. The shade is finished in White and complemented with a Black finished canopy and stem. The Cilindro Textrene Flushmount is included in our American-made, American-designed handcrafted Modern Lighting Collection. Manufactured in Yorkville, NY. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
