Inspired by the nearby Adirondack Mountains, this breathtaking chandelier features a cornucopia of Hand-forged metal Pinecones and Pine Needles that appear to grow from this tree-like ceiling fixture. The fixture illuminates beautifully with 8 complementary faux candlelights perched on bobeches. The decorative accents and frame are offered in a warm Chestnut finish. Overall height ranges from 26 to 85 inches as the chain can be easily adjusted in the field. The Pinecone Chandelier is included in our American made, American designed handcrafted Rustic Lighting Collection. Manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations.
