This architecturally styled fixture is designed with a unique and stylish pizzazz. The elaborate geometric structure features a configuration of 24 triangles forged together in a stunning Oil Rubbed Bronze finish outside and a Nickel finish on the interior metalwork. The pendant provides beautiful ambient illumination with seven Nickel-finished faux candlelights perched on bobeches. The pendant is ideal for placement in foyers, ballrooms, and lobbies in homes, hotels, and restaurants from New York, to Salt Lake City, Utah, to Los Angeles. The overall height ranges from 57 to 128 inches, as the chain can be adjusted in the field to meet your exact lighting requirements. The Sacha Pendant is included in our American-made, American-designed, handcrafted Transitional Lighting Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations.
