Designed like a broad array of ribbon-like elements, this cascading chandelier creates a unique look and dramatic styling for your space. The 32 elements, made of Special Art Glass in Clear Seeded, Pale Copper Blue, and Light Emerald Green, are attached to aircraft cables and illuminated by six downlights embedded in the large Brushed Stainless Steel canopy. This cascading fixture is ideal for illuminating staircases in residential and hospitality installations. The Schole Cascading Pendant is included in our American-made, American-designed, handcrafted Modern Lighting Collection and is manufactured in Yorkville, New York. UL- and cUL-listed for dry and damp locations. Max Cohen, our Senior Lighting Designer and Director of Hospitality Marketing, designed this stunning cascading pendant for a private residence in Cape Coral, Florida.
