A curvaceous geometric design with a block-style design around the perimeter and a matching bottom diffuser that replicated an old-fashioned late-night off-air TV target screen. The stunning diffuser combination features a handsome contrast of Black and White lenses throughout the fixture, which is enhanced with a Brushed Stainless Steel finish. The ceiling pendant is ideal for illuminating dining areas and entryways in residential and hospitality settings. The Targette Pendant is included in the American-made, American-designed, Handcrafted Modern Lighting Collection and manufactured in Yorkville, New York. The fixture is UL and cUL listed for dry and damp locations.
