An elegant chandelier with an industrial-styled twist. The arms are bent to create a distinctive design statement, employing Hand-Formed metal arms and contoured supports to define its graceful profile from top to bottom and arm to arm. 12 Ivory faux candlelights perched on saucer-like bobeches add a lovely touch to this fixture, which is hand-finished in a luxurious Gold Metallic. The overall height ranges from 48 to 99 inches, as the chain easily adjusts in the field to meet your exact specifications. The Yanis 12 Light Two Tier Chandelier is included in our American-manufactured, American-designed, handcrafted Contemporary Lighting Collection, which is manufactured in Yorkville, NY. The fixture is UL and cUL listed for dry and damp locations.
