Inspired by Marjorie Merriweather Post's retreat in Paul Smiths outside of Lake Placid, New York. The original chandelier was installed in the Main Lodge in the vacation camp built in 1923. The accents and hardware are featured with a Textured Black finish. This chandelier is ideal as a centerpiece for a wide variety of rooms. The overall height of this chandelier ranges from 31 to 61 inches as the chain length can be easily adjusted in the field to accommodate your specific lighting application needs. Handcrafted by highly skilled artisans in our 180,000 square foot manufacturing facility in Yorkville, New York. Candlelight colors, metal finishes and fixture sizes can be customized to your needs.
