Inspired by a configuration of various winding pipes used in today's structures. Eight Wrought Iron finished conduits with matching hardware are featured in the Pipe Dream Alva Flushmount. Each stem reveals a customer supplied Edison styled bulb for beautiful ambient illumination. Custom crafted by highly skilled artisans in our 180,000 square foot manufacturing facility in Yorkville, New York. Custom sizes, designs, and finishes available. Dimmable energy efficient lamping options offered. UL and cUL listed for dry and damp locations.
