This handsome ceiling pendant provides beautiful ambient light gently projected from a stunning Eggshell Textrene with a Beige art glass bottom diffuser. The gorgeous ceiling fixture is enhanced with a Timeless Bronze finished hardware. Multiple layers of light for different moods and tasks include 8 inner lights to bring out the beauty of the fabric and 4 downlights for functional illumination below. The Smythe Craftsman Pendant is featured in our American-made, American designed handcrafted Arts & Crafts Lighting Collection. Manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations; however we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric material.
