Like a cloud's silver lining, distinctive forms feature a unique shade-within-a-shade design. The inner and outer shades are offered in a Virtual Smoke Textrene, complemented with decorative accents and hardware hand-finished in Industrial Steel. The pendant is enhanced with a Honey Ripple Art Glass bottom diffuser. This dramatic architectural fixture design fits into various residential, hospitality, and commercial settings. The overall height ranges from 23 to 72 inches, as the aircraft cable can be easily adjusted in the field depending on customer requirements. The Umador Pendant is included in our American-made, American-designed, handcrafted Architectural Lighting Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations; however, we do not recommend placing it in spaces that experience a large amount of moisture due to the fabric shades.
