Inspired by a rhythm that beckons with the dancing movement of the ocean. The captivating elements are organically formed Idalight lenses that emulate waves. The hang heights for each component have also been configured to create a large-scale wave effect. Innovation and imagination are integrated for a stunning decorative lighting look. A jaw-dropping illuminating design, this cascading pendant displays two dozen Crystal Idalight and Contrail Mist Idalight elements. Each is illuminated with Integral LEDs for high-quality lighting and long life. The lovely fixture is enhanced with hardware finished in Brushed Stainless Steel. The massive pendant is ideal for ballrooms, foyers, lobbies, reception areas, and other spacious areas in large residences, hotels, and restaurants. The Allegro Cascading Pendant is featured in our American-designed, Handcrafted Modern Lighting Collection. UL and cUL listed for dry and damp locations. This item is custom-made. Please call for pricing and lead time.
