Inspired by out-of-this-world constellation designs. An impressive industrial look comes to light. Rugged arms and large ballpoints are enhanced with a Black Fox Glossy finish. This uniquely configured chandelier illuminates with three sets of 2 Edison-styled LED lamps that appear to be rotating on their axis while providing ambient illumination. A downlight delivers functional illumination on surfaces below. The Alva Asta Chandelier is included in our American-made, American-designed, handmade Modern Lighting Collection. Manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations.
