The Amaury chandelier blends classic and timeless styling. This two-tier chandelier is the perfect choice for today's interiors and adds a finishing touch to living areas, lobbies, and other spaces. Fifteen Ivory faux candlelights are crowned with Cream-colored Trumpet-styled Shades and complemented with hardware and Acanthus leaf accents in a Delmonico Bronze finish. This chandelier is enhanced with Crystal beads and a Crystal orb accent. The overall height ranges from 93 to 166 inches, as the chain length can be easily adjusted in the field. Ideal for homes, hotels, and restaurants from Carmel, Indiana, to Brookfield, Wisconsin. The Amaury Chandelier is featured in our American-made, American-designed, handcrafted Transitional Lighting Collection, which is manufactured in Yorkville, NY. UL and cUL are listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shades.
