<b>Other</b>	

A modern, sophisticated pendant featuring a spectral halo of ambient light that creates a stunning visual effect and breathtaking drama. Eliminating the power cord, our exclusive proprietary suspension system is engineered with low-voltage spacecraft cables for balance, precision, and a clean aesthetic. This Brass Tint finished ring reveals a Statuario Idalight diffuser. Integral LEDs with a warm 2700K color temperature offer dimmability, energy savings, minimal maintenance, and long life. The overall height of this pendant ranges from 22 to 60 inches, as the cable length can be easily adjusted in the field. The Anillo Halo Pendant is featured in our American-made, American-designed, handcrafted Modern Lighting Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations.
