Stunning graceful and elegant pear-shaped Blown-Glass art forms are featured as cascading pendant shades in clear and champagne colorations. The decorative elements are suspended by aircraft cables attached to a round metal canopy featured in a Satin Black Wrought Iron finish. The fixture is perfect for illuminating stairwells, entryways, and dining spaces in fine homes and hotels, from Saratoga Springs, New York, Fishers, Indiana, to Redmond, Washington. The overall height ranges from 21 to 120 inches, as the cord lengths can be easily adjusted in the field to accommodate your specific lighting application needs. The Anjou 9 Light Pendant is featured in our American-made, American-designed, handcrafted Art Deco Lighting Collection and manufactured in Yorkville, New York. The pendant is UL and cUL listed for dry and damp locations. Each shade is a unique work of art with color variations based on natural ingredients inherent in the glass.
