Like a hard rain beginning to fall, this dynamic chandelier illuminates beautifully, replicating a brilliant sun shower with a modern industrial twist. The 13 Edison-style lamps illuminate inner and outer garlands of Extreme Chrome and Faux Mercury finished metal balls and chains. This ceiling fixture serves as a centerpiece for dining and living areas in residential, retail, office, and hospitality spaces. The Ball Chain Chandelier is featured in our American-made, American-designed, handcrafted Industrial Lighting Collection. This fixture is manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations. The fixture was specified by Kimberly Timmons Interiors of Denver, Colorado, for a residence in Cherry Hills Village, Colorado.
